

# **IC-ONC Patient Resources and Tools on Immunotherapy and Immune-Related Adverse Events**

## **PROGRAM OVERVIEW**

This patient-centric activity will cover the diagnosis, treatment, and management of patients with cancer who are treated or eligible for treatment with immunotherapy.

## **TARGET AUDIENCE**

This initiative is designed for patients with cancer who are treated or eligible for treatment with immunotherapy.

## **LEARNING OBJECTIVES**

Upon completion of the program, attendees should be able to:

- Discuss the role of immunotherapy through immune checkpoint inhibition in the spectrum of cancer treatment
- Examine the potential immune-related adverse events (irAEs) of immune checkpoint inhibition, including symptomatology and management across multiple grades of irAEs
- Describe the role of the patient in the timely irAE recognition, identification and management
- Explain how shared-decision making (SDM) can help foster a patient-centered approach to cancer care and survivorship

## **PROGRAM CHAIR**

### **Arjun V. Balar, MD**

Associate Professor of Medicine  
Director, Genitourinary Medical Oncology Program  
Laura and Isaac Perlmutter Cancer Center  
NYU – Langone Health  
New York, NY

## **DISCLOSURE POLICY STATEMENT**

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Med Learning Group must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, staff, and planning committee members participating in a MLG-sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

## **DISCLOSURE OF FINANCIAL RELATIONSHIPS**

Dr. Arjun Balar discloses that he is a consultant with AstraZeneca/Medimmune; Genentech, Inc./F. Hoffmann La Roche Ltd.; Merck & Co., Inc., Incyte Inc, Pfizer and Seattle Genetics.

The independent reviewers, staff, planners and managers reported the following financial relationships or relationships to products or devices they or their spouse/life partner have with commercial interests:
